

**EMBASSY OF INDIA
YANGON**

Advisory regarding fake job racket targeting Indian youth

This advisory is being issued in continuation of the Embassy's advisories on the above subject, issued on 5th July 2022, 14 October 2022, 28th March 2023 and 13th September 2023.

There has been an increase in the incidents of Indian nationals falling victim to the international crime syndicates active in **Myawaddy region** on Myanmar-Thailand border. We would re-emphasize the importance of adhering to our advisories on the subject for not taking any such job offers without consulting the respective Indian Embassies. A new location at **Hpa Lu area**, South of Myawaddy town is reported to have emerged recently where most of the Indian victims are being trafficked into, via Thailand, after being recruited from India as well as from countries like Malaysia, UAE etc.

In view of the above, it is reiterated that Indian nationals should not accept such job offers floated through social media platforms or other unverified sources. Indian nationals are advised to check/verify credentials of foreign employers through the Indian Embassy located in that country. The antecedents of recruiting agents as well as companies should also be established before taking up any job offer abroad. Embassy of India, Yangon may be contacted through Email- **cons.yangon@mea.gov.in** and Mobile No.- **+9595419602** (WhatsApp/Viber/Signal) for any Myanmar-related query in this regard.

On the basis of inputs shared by the victims, an updated list of suspected agents, agencies and compounds involved in these criminal activities is enclosed.
